BY ROY GROVE

**"DUFFY" LEWIS**

He may not dangle from the top in batting or fielding, but he's champion just the same. Undisputed sartorial champion of all the leagues, is this one, George Duffy Lewis, left fielder for the New York Yankees.

Duffy is a quick change artist. He has 27 complete changes of costume. One for every occasion. He has suits that need applause, some that scream in any environment, dark brown creations and those with foreign trick

backs, breezy, graceful and bold. He carries a shoe trunk, also, for one must go well booted. And hats, hose, and cravats that are daring to the point of danger. Duffy's theory of dress is "a garment for each mood."

Lewis gets his inspiration from the great American stylist, Harry Ison Wilson, and above all, "to be an advanced dresser one must have co rage," says he.

## What She Was Looking For.

One of the many excellent stories told by Lady Jepson in her "Notes of a Nomad" concerns her grandfather. "He came often to our house," writes the authoress, "having an obvious admiration for the pretty young aunt who lived with us. One day he called as usual and I at once climbed on his knees and stared searchingly into his clear, brown eyes. 'What's the matter, child?' said he, 'and what are you looking at?' 'Mamma said to papa,' quoth I, 'that you had a wife in your eye and I'm looking to see if I can find her.'"

We Eat Too Much Meat Which Clogs Kidneys, Then the Back Hurts.

Most folks forget that the kidneys like the bowels get sluggish and clogged and need a flushing occasionally else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
